December 12, 2023

To Whom It May Concern:

I have reviewed the plans for the existing garage and am in support of demolition of the building. I am also aware that a new accessory building will be designed to meet the City of Charleston zoning requirements. Abigail Walsh and Brendan Sweeney, owners of 58 St. Margaret Street, noted that the Accessory Building is for personal use. Any other use would have to be approved by the City of Charleston.
