September 13, 2023

Dear neighborhood presidents,

Our organization, MUSC Children's Health Wellness Works program (formerly Heart Health), is hosting a 5K fun run/walk and wellness expo at Hampton Park on February 10th, 2024. We anticipate the event lasting from 8:00-11:30. We have been granted a Special Events permit with the City of Charleston. In accordance with City requirements, we are notifying all impacted neighborhoods. Our event will be contained within Hampton Park, but the surrounding neighborhoods may experience additional traffic or parked vehicles surrounding the park (including, but not limited to Rutledge Ave., Fishburne St., Elmwood Ave., Moultrie St., Kenilworth Ave., Parkwood Ave., President St., and Ashley Ave.). We may be placing informational flyers about the event in your area. Please let me know if you have any questions or concerns.

As a token of our appreciation for allowing us to conduct this event, we have created a 10% off coupon for anyone living in the surrounding neighborhoods. The code to be entered at checkout is: NEIGHBOR2024.
Event website: https://runsignup.com/Race/SC/Charleston/BuildingHealthyCommunities5K

Please contact me for any additional information you may need (all contact information below).
Sincerely,

Janet Carter, MS, RD, LD, FNLA
