Petar,

Per last night's WTNA Meeting, my husband, Tim Jarosch, is the one you were communicating with in regards to the Environmental committee. Tim is willing to get additional information on the issues/impacts/etc. of the environmental projects affecting WT, and report back to you/our neighbors.

To start, it would be helpful if you could provide Tim with the following:

1. Top 3-5 key environmental concerns that you would like him to dig into. Tim is aware of the a few of these (storm wall and Magnolia), but what else?
2. Provide him with whatever contacts you have for each of these concerns so that he can get started.

It would be a good idea for you both to chat live for 30 mins to set the expectations, etc. Tim can be reached at the email above or at 847-421-9933. I will leave it to you Petar to reach out per your schedule.

Best,

Liz
