Wagener Terrace Neighborhood Association

January 18, 2016

Meeting was called to order @ 7:00

November minutes read and accepted

Finances: $9602.46 Checking $5002.15 Savings

Police Report- Officer Ward absent but Officer Daniel Wilson sat in

Councilmen Lewis and Gregorie

- Not present

Growth Management:

- Short Term Rental Study Group: 2 from WT, 2 from N Central and 2 from Westside
- WT members: Ryan Cockrell and Ruth Barrow

Ongoing Business

- **Sunshine** : No news
- **Magnolia**: Sis discussed her concern with a separate planning group with no community input; we want to let our councilmen address this with the new mayor and also how information that affects WT (or any neighborhood) needs to be funneled to Neighborhood Associations to keep the citizens informed
- **Begin With Books**: Need Patty Bennett-Uffelman to present data showing the program's efficacy **locally;** agreed to funnel donations to Trident United Way who monitors the progress and impact of all programs it supports; may give to BWB

Future Scheduling

a. Laura Cabiness – will ask her for the Feb 2016 meeting to talk about Wagener Terrace flooding issues only; may also ask BWB
b. Magnolia – will try to schedule for Mar or April after receiving traffic study

New Business:

a. Concerned about the caved in road at Wagener and Gordon – when will it be repaired?

b. Jeff Davis stressed the importance of planning for the Oyster Roast and Silent Auction NOW

Old Business: Want to follow up with the Charleston Parks Conservancy Plans at Hampton Park:

a. It was agreed that police will be provided during events for traffic control
b. Councilwoman Kathleen Wilson discussed at the Aug 2015 Council Meeting on James Island that city residents have priority to use for the "**community center**" followed by neighboring counties, then within the state and then and only then outside the state. S Eames indicated that it is best if we get the transcript from that City Council Meeting to be able to confirm and use what was said by elected officials.
c. WTNA and surrounding area residents can call police if the volume exceeds the 65 db level

Meeting was adjourned @ 7:46
