4. Owen also brought up neighbors putting their dog waste in other's garbage cans or allowing them to use other's yards without removing it – Steven suggested placing stickers on those neighbors who do not mind dog waste in their garbage cans
5. Trees – Anna, Steven and Chelsea (Banias chelseabanis@gmail.com 864-704-6077) will meet to discuss the tree program
6. Anna McAlister was concerned about the tree planting program being dropped. It was not in this year's budget because of lack of incoming funds. Not sustainable. Trees will now cost $295.00 and we get 1 free tree for every 2 planted.
