City Council/Police/Citadel

1. Councilman Gregorie: was contacted by Palmer Gaillard concerning the continued closing of Hampton Park since it was reduced to one-way traffic. Gregorie informed him that the issue would have to come to WTNA and then City Council for consideration. Palmer did not come to the meeting to share his views with WTNA
   Gregorie will take to city council enforcement of walking/biking rules around Hampton Park; will also address enforcing dog park hours in the evening – with the new light, neighbors are not following rules
   Sidewalk problems are to be reported to Streets and Sidewalks. Dangerous sidewalk on Ashley Ave
   Gregorie announced he will again run for city council this fall
2. Police – no representative

3. Citadel – Col. Tom Philipkosky reports that there will be two rent increases in campus housing for faculty and staff, one this July and another July 2018
   Campus housing is a challenge and the cost to renovate some of the older buildings is cost prohibitive so some may be marked for demolition in the future – specifically along Dunnemann – athletic dept would like to grow in that area
   All demolitions must go before the BAR and The Citadel will keep us informed on future demos and changes that affect our neighborhood
   There are 35 core dwellings that will be kept
   All growth at The Citadel must be internally due to physical barriers (river, park, etc)
   Baskin Hall on Hagood was completely donor funded

2. Voted to pay the city $1475 for the dog park tree planting, our commitment to the city
3. March 2017 YOM is 134 Dunnemann, Ms Olivia Thompson
4. Bradley Thompson has volunteered to take over YOM
5. New garage on Ashley Ave – were advised to call Lee Batchelder for approval
6. Owen Meislin proposed doing something besides the sign in Hampton Park to recognize its possible claim to the site of the first Memorial Day; He also would like to know if the bike races around the park could be brought back
