On-Going Business:

1. **Dog Park -** Bradley Thompson reports that the city has added mulch and a fine grained gravel-like substance to the dog park and will not be contributing anything else; if the two oaks die, they will be replaced; please water trees if you can
2. With remaining dog park funds, please present ideas at next meeting

   c. Small, puppy area inside the dog park

Concerns:

1. Alston pointed out that the Parks Conservancy was in front of the TRC about expanded plans for the barn and Superintendent's bldg around Hampton Park; no notification to WT
2. Jeff says there is talk at The Citadel about parking spaces where an apartment bldg is backed up to Dunnemann
3. Owen Meislin suggested that when possible we seek out supporting businesses in WT or owned by a resident of WT; in addition we need our WTNA notification signs changed to reflect our new location – he will get estimates for ones like we currently have and the corrugated ones similar to Hampton Park Terrace
4. Richard is concerned about oil being dumped into the marsh behind Great St. Luke – perhaps we should let Rev. Temoney know
5. Kathleen suggested we add a place for notices on the Little Free Library Stand currently under investigation
6. Linda says the 4 lots (one tax map number) behind Gordon St between 8th and 9th Ave, owned by Ann Casey, are attracting a lot of attention from developers

Meeting was adjourned @ 7:38
