Police Report- Officer Ward reports no problems
Hector brought up the speeding problem around Hampton Park

Councilmen Lewis : Nothing new with council
Councilman Gregorie was absent
Again, speeding around the park was mentioned along with the suggestions of adding more speed signs as you enter the park, possible speed bumps and more law enforcement
Also concerns with the number of construction projects and renovations that do not seem to "fit" into the character of the neighborhood and may also be in violation of their city approval plan
Suggestion that we form an advisory group and submit something to the city to help alleviate some of the problems we now see
Sis Marshall leads the Zoning Committee and keeps us informed

No Citadel Rep

Yard of the Month: 320 Grove St, Eddie and Katie O'Brien

Nominations for Board of Directors: Charles Shine
Ruth Barrow
Carmen Gaston
Beatrice Frask
Voting will be during the June meeting

Ongoing Business

- **Sunshine** : Sis apologized to Ms Gaston and Robert for missing their ailment while recuperating from her own surgery; Charles Shine also had back surgery

- **Scheduling:** Nothing scheduled at this time

New Business:

1. Speeding on Gordon St is a problem – perhaps speed bumps are needed
2. Traffic light at Cleveland and Rutledge encourages drivers to cut through the park to get to Rutledge- perhaps it could be moved to Rutledge and Moultrie to make it safer for school children and alleviate some of the speed problems around the park; Need to contact Senator Kimpson and Rep. Gilliard to see if they can help with the DOT

Meeting was adjourned @ 7:40
